Dear Sir/Madam

POSTPONEMENT OF THE JUNE 2023 GOVERNMENT CERTIFICATE OF COMPETENCY: MINE ENGINEER'S (MINES AND WORKS) - EXAMINATIONS

The Department of Mineral Resources and Energy (DMRE) through the recommendation of the Commission of Examiners has taken a decision to postpone the 01 and 08 June 2023 Mine Engineers Government Certificate of Competency examinations.

The reason for the postponement was due a breach of security during the courier delivery of both the examination question papers to one of the examination centres. Thus, the integrity of the examinations papers was compromised.

The new examination dates will be communicated in due course once all the logistical processes have been finalized.

The DMRE encourages candidates to utilize this opportunity to thoroughly prepare for examinations and wishes them well.

Yours in Health and Safety

MMA ZONDI

CHAIRPERSON: MINE ENGINEERS CERTIFICATE OF COMPETENCY
